

WEEKEND CANVASSING

Thank you for your interest in canvassing with Democratic voters. You will receive an overview of what canvassing is all about and why it is one of the most important activities that we must do in order to engage Democratic voters. Canvassing is the heartbeat of the “On the Ground” operation in order to connect with voters. We canvass on Saturday mornings during warmer weather and both mornings and afternoons in cooler weather. We knock on doors of only Democrats. A canvass team includes a driver and two people who knock on doors. We need 8 teams for 2023 and 2024.
